
Instructions

- You will be expected to fill this entire packet out during the lecture.
- I will allow time for thought and reflection on some of the questions where necessary so don't worry too much about rushing through the questions.
- Each slide of the presentation will let you know which section you should be working on and when to fill in the "Pause to Think" boxes in each section.
- Do not go ahead of the slides.
- You have to write in complete sentences unless it is a fill-in-the-blank question or a list.
- If you have any questions or need me to review anything, let me know right away!
- This will be due at the end of the lesson!
- It will be graded for accuracy and completeness.
